MEMORANDUM FOR: Chief, Finance Division
25X1A9a
ATTENTION : Mr. [REDACTED]
25X1A2e
SUBJECT : Leave Status of [REDACTED] 25X1A2e
REFERENCE : Memo for Finance Office fr [REDACTED], dtd
2 Nov 54, same subject

25X1A2e In answer to the question raised by the referenced memorandum, Mr. [REDACTED]'s accrued leave may not be credited against the \$1,800 which he owes the United States Government. When Mr. [REDACTED] entered on duty with the Agency, it was actually by way of a transfer from the Atomic Energy Commission. He was, therefore, credited with any leave he had accrued while with the Commission. He cannot also retain the lump-sum leave payment, nor can he elect to retain the lump-sum leave payment and give up the accrued leave. The fact that Mr. Doran will shortly lose approximately 240 hours of accrued leave is, from a legal standpoint, irrelevant.
